## Triple the Fun Tutorial

*Beth Norman filmed this easy layering technique.*

### Supplies:

- White and Contrasting Cardstock
- Repositional Adhesive
- Stamp
- Ink

### Step One:

Cut three white cardstock pieces to:

- 2" x 3 1/4"
- 3" x 4 1/4"
- 4" x 5 1/4"

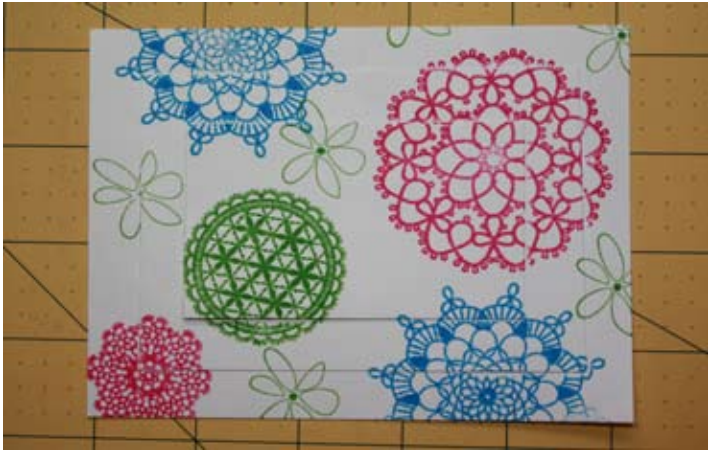

Cut the contrasting cardstock to:

- 2 1/4" x 3 1/2"
- 3 1/4" x 4 1/2"
- 5 1/2" x 8 1/2" (score this piece in half to 4 1/4" x 5 1/2" to use as the base)

### Step Two:

Using a little bit of repositionable adhesive, layer the white cardstock pieces on top of each other, centering each, with the smallest on top and the largest on the bottom.

### Step Three:

Stamp over all three layers. It is okay for white lines to appear around the edges of the cardstock; it will be covered with the matting.

### Step Five:

Mat the stamped images with the contrasting mats. Layer the piece and embellish as desired.

### Step Four:

Gently pry apart the repositionable adhesive between the layers.
