Watercoloring Made Easy!

Tutorial for Colorbook Stamps, April-May 2003 Newsletter

Supplies

Stamps
Water-Based Markers
Water in a spritz bottle
Matte cardstock or watercolor paper

Embossable ink
Embossing Powder

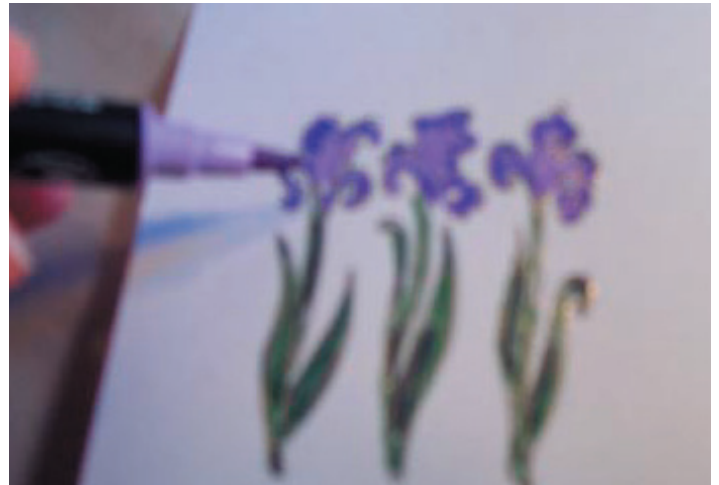

Step 1

Stamp image with embossable ink onto cardstock and heat emboss.

Step 2-5

Using Markers, Color Image. Spritz lightly with a fine mist. The colors will blend and "run" outside the lines. If desired, blot image with paper towel to absorb excess water. Let dry. If cardstock curls, place under heavy book until flattened.
