

## Designer Paper Coasters Tutorial

*These easy coasters can be made in minutes. They make a sweet and easy hostess gift. This is a fun way to use some of the gorgeous papers in your stash!*

*Filmed by Pat Huntoon.*

### Finished Coasters:

Artist: Pat Huntoon

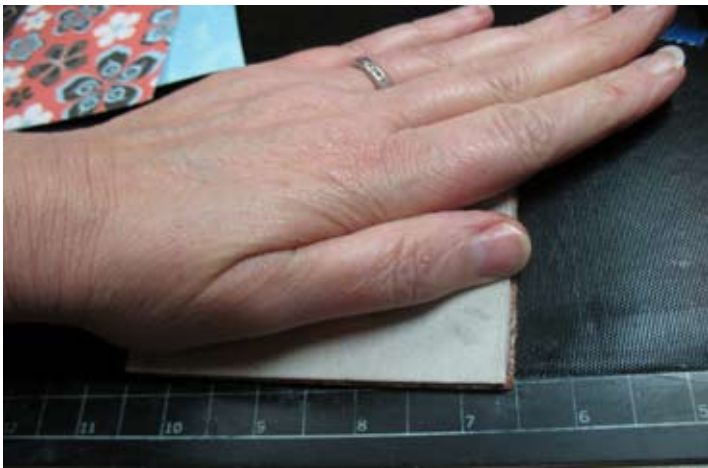

### Supplies:

- Four 4" x 4" Cork Pieces
- Four 4" x 4" Chipboard Pieces
- Four 4" x 4" Designer Paper Pieces
- Mod Podge or Perfect Paper Adhesive
- Foam Brushes
- Trimmer or Scissors

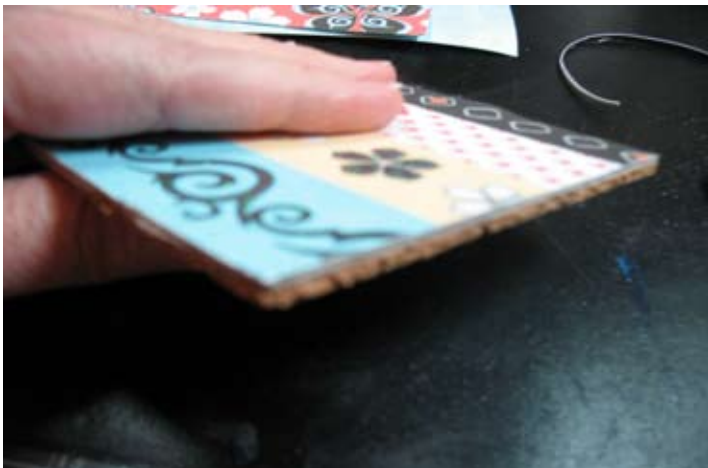

### Step One:

Using the foam brush, cover the top of one of the cork pieces with Mod Podge or Perfect Paper Adhesive.

### Step Three:

Press the chipboard onto the cork firmly. Allow the pieces to dry for 10 minutes.

### Step Five:

Adhere the paper to the chipboard, lining up the edges carefully. Set aside to dry for 10 minutes.

### Step Two:

Adhere a chipboard piece to the cork.

### Step Four:

Paint the back of one of the designer paper sheets and the top of the chipboard with Mod Podge/Perfect Paper Adhesive.

### Step Five Continued

## Step Six:

Paint over the top and sides of the coaster with the Modge Podge/Perfect Paper Adhesive. Allow to dry and cover again with another layer to seal the paper.

## Finished Project

Artist: Ann Clack

## Step Seven:

Repeat with other coaster sheets and use as desired.
