### Finished Card:

Artist: Hetty Sanders

Stamps: Technique Junkies Stamps

### Supplies:

- Image-style Punch (leaves, butterflies, etc.)
- Ink
- Blending Tool
- 2 pieces of Cardstock

## Step One:

Punch out the shape from one of the pieces of cardstock.

## Step Three:

Move the stencil around the cardstock to create a background paper.

## Step Five:

Use the punched pieces as an embellishment on the finished piece.

## Step Two:

Place the punched cardstock over the second cardstock piece. Use the blending tool to ink through the opening, using the punched area as a stencil.

## Embellishment Idea:

Ink the stenciled piece onto another piece of paper. Use the punch over the stenciled piece to cut out the inked images.
